Minutes:

An introduction was given by Mr. Malaiyandi Sundaram about the main speaker. Prof. Suma Godwin, Department Coordinator felicitated the speaker by gifting a memento. After the stage was set, Prof. Samuel gave a warm welcome to the speaker and invited him to deliver the lecture.

The speaker began his lecture with a 'thank you' note. He then demonstrated the nitty-gritty in the calculation of gross total income from the income gained from Business and Gains and the procedures and steps related to filing of income tax returns. The lecture was extremely enriching for the students and the faculty. The speaker clarified the doubts raised by the students with great patience and kindness and gave a clear insight into the practical aspects of income tax filing.

The program was attended by students from B.Com (Hons.), and B.Com (A&F) departments with great enthusiasm and interest. The lectured ended at 1.15 PM with the vote of thanks proposed by Mr. Hanson.
