**Department of B.Com (Accounting & Finance)**

### **Guest lecture session (Campus - Corporate)**

On the 22<sup>nd</sup> of April 2022, department of B.Com (Accounting & Finance) organized a lecture session 'Campus to Corporate' for the 1<sup>st</sup> and 2<sup>nd</sup> year of B.COM Accounting and Finance students. The event was successfully conducted in Loyola college campus. The lecture began with welcoming the chief guest Mr. Parag Kapadia.

Mr. Parag Kapadia with the qualifications of CA (UK & India), CMA (India) with rich experience. He has 30 Years of experience in the corporate, retail and private banking sector, currently he is the director of 'Capital Konnect'. This lecture was conducted to give the students very valuable insight of the shift from a campus-oriented life to the corporate world. The campus paradigm is very distinguishable from the corporate world which relies on more practical application with its fair demand of soft skills. In crystal clear way he has explained about the importance of higher studies and the areas in which students will get exposure to get recruited in reputed companies.

Overall, this session was an eye-opening experience giving the students a base as to what it's like in the corporate world and what the students should focus on when they finally make the journey from campus life to the corporate world.
