

## **A special guest lecture on Logistics and Supply Chain management**

On the 22nd October, 2021, a seminar on “The Logistics Industry during the pandemic and the impact/contribution of the industry was organized by the Department of B. Com. Honors and it was graced by Mr. Suresh Pillay, President (NTC Logistics Pvt. Ltd.) and attended by around 40 students from the second year. Mr. Karthik Rajaraman of II year delivered the welcome address.

Mr. Suresh Pillay, with his over 30+ years of experience in logistics industry and with his commanding presence captivated the students, and shared his insights from the industry that were fully new to the students. He explained how logisticians played the most important role in the pandemic next to the agriculturists, about the prospect of the industry, and how India will head towards leadership in the Industry in the near future. He also spoke about the prospects for students in the industry, and various unique consignments such as ODC (Over Dimensional Cargo).

The session was packed with information and insights, keeping the cohorts’ complete attention and kindled interest towards the domain of logistics and supply chain management. Questions raised by students regarding emerging technologies in the field, managing counterfeits among others etc. were clearly answered.

As an end note, the speaker inspired the students to get out of their comfort zone and hop on to the world with a vision that will inspire them through the journey. Mr. Karthik Rajaraman proposed a vote of thanks.
