- Block and tackle
- Poem writing
- Face painting
- Photography
- Poster designing
- Cosplay
- Jam
- Caricature
- Gaming
- Public service announcement

Host performance by the students of Kaushal Kendra at PRISM 2K23

Each event was designed to enable participants to portray their creative talents. The events were conducted both on-stage and off-stage. All the on-stage events were conducted on the main stage located in the Old Viscom Block and the off-stage events were conducted at Kaushal Kendra Department (3rd floor) in the allocated classrooms.

Some events received online submissions via Google Forms. The total participants numbered 80 and they were from various colleges. The festival was a major success with the students from Ethiraj College for Women winning the overall title. The association members' team work received great acknowledgement and appreciation from the staff and the participants.
