

Loyola College honors the Students for Diligence & Regularity

One of the best practices, "Honoring the Students for Diligence and Regularity", has been recently initiated in Loyola College. Those students who put in 95% physical attendance are honored with certificates, medals and mementoes.

In a grand function organized by Principal, Deputy Principal and Vice-Principals on 16th October 2015 in LS Hall at 3.30 PM, 321 students from both Shift I and Shift II were honored for 95% physical attendance during June - Nov 2015 and 12 students were applauded for 100% physical attendance in Loyola College.

Rev. Dr. G. Joseph Antony Samy, SJ, Principal, Loyola college insisted on the need for regularity and discipline among students and suggested that it would pave way for their success in career. Prof. G. Ramamurthy, Deputy Principal motivated the students to excel in academics. Prof. S. Pencier, Vice-Principal for Shift I welcomed the awardees and other dignitaries. Prof. J. George Fernandaz, Vice-Principal for Shift II proposed the vote of thanks.

One of the students who responded to the new initiative from the officials of the college expressed that recognizing the students for their regularity motivates them to do well in walks of life and hoped that many more students would join the bandwagon in future. The programme began with prayer and invocation dance by students.
