

INDUSTRIAL VISIT REPORT

TO “LUCAS- TVS LIMITED, PADI”

The B.B.A Department of Loyola College arranged an industrial visit for the final year Students on the 12th, 13th, and 14th of October, 2022 to the Company LUCAS TVS Limited, Padi. The students were grouped into 3 batches and each batch was allotted 2 staff members to guide the students and to provide the necessary information. Around 10 am, the college buses entered the LUCAS-TVS Limited company's gate.

The students were accommodated in an air-conditioned auditorium and were given a brief introduction about the functions of the Company and the products it manufactures.

The TVS employees then addressed the students and made video presentations on how the work is actually done in such a large enterprise, the company's major customers, dos and don'ts in manufacturing, and people management.

After the video presentations, the students were taken around the Company and were shown the various departments of the organisation.

Overall, it was a highly enlightening and informative industrial visit for the 3rd year students of BBA Department, where they were able to learn and gain crucial insights about manufacturing a product, managing a huge enterprise and the welfare amenities offered to the employees.
