## **REPORT.**

The AICUF activities has been organised through out the year and students participated at the State and National level programmes during the summer holidays. The above mentioned programmes were organised for the present batch of first year students as well as the defaulter of 14 and 15 batch. I am proud to say that our second year students who are the office bearers of the movement were active in coordinating and leading the group forward at the local, State and National level. At present the Tamil Nadu State level president for AICUF is Loyola student Ashish 15CO07. The programmes for AICUF included orientation and training programmes on social issues followed by an activity either in the college or outside. Resource persons include social activist and people who were committed to the welfare of the marginalised in society. We wish AICUF is viewed at as a movement rather than a club activity.

Vallary Patric/SWO57

AICUF Advisor.
