Activities:

Loyola NCC Navy is not only known for its achievements but also for its excellent and **unending services** rendered to society. The enthusiastic Naval Cadets of our College sensitized the public through several **Awareness Programs and Rallies** which were covered by several News Channels and Dailies. Some of them are:

- Human Rights Awareness Rally
- Cancer Awareness Rally
- De-addiction Awareness Rally
- Save Your Liver Awareness Rally
- Coastal Cleaning Awareness Program
- Swach Bharat Abhyan Awareness program
- My Flag My India Program

Through these awareness programmes the youth were sensitized on the needs and problems of the people around them and contribute meaningfully. In addition to the regular parade and college activities, Loyola NCC Navy successfully maintained its rich tradition of sending maximum number of cadets to Republic Day Camp (RDC) and Nausainik Camp (NSC), IGC, IUC, CATC, etc.
