Orientation : 30/11/2016

A simple orientation program for the Green Rotaractors was held at the Commerce Block around 11:30a.m. All the board members and the faculty in-charge were present throughout this orientation, which lasted for about 1 hour. This opportunity was used by the board members to provide a brief yet thorough instructions, brief history of the Rotaract organization. After the welcome address the board members were introduced by the Club President. The board members delivered series of talks to the Green Rotaractors encouraging them to actively participate in the club events and to pitch in new ideas and project for the operating year.

Few of the enthusiastic Green Rotaractors gave ideas for projects on the spot and was immediately accepted by the board members. The Green Rotaractors were voluntarily coming up to join the cultural teams and and few members were interested in enrolling for the annual Rotary Youth Leadership Award. The details of the club members were collected simultaneously while checking the candidates present. This effective orientation ended with an address from the Faculty coordinator .

Club Office reorganized and Cleaned: 03/12/2016

The first club service project of the year was the cleaning and reorganization of the club office. The board members assembled at the club office on 3rd December for this task. The existing cleaning equipment of the club was used. The first task was to sort out the things that were useful to the club and the non-useful items were dumped in a box later to be thrown out. The

tables, chairs, cupboard and the almirah were repositioned. The board members split up into two groups where one group cleaned the dust, waste and discarded items and the other mopped the floor clean after that. This task of cleaning and properly reorganizing took about 2 hours to complete to make the club prepared for the year.

GRM - 04/12/2016

The GRM was held on 4th Dec 2016 at Ethiraj College. It was a day filled with cultural events, the oral reports of each club in the allocated Rotaract Groups. As for the cultural events with the theme of a Marvel Superhero given to us the board members of RCLC put up an amazing and an entertaining play within a short prep time which was appreciated at the GRM. The President and the Secretary gave the oral report on behalf of RCLC representing the Rotaract group. This event gave exposure to other groups and various clubs as well.

New year resolution- 01/01/2017

Under the guidance of the Professional Service Director the Green Rotaractors of our RCLC joined together in taking small video with the resolution in the form of a slogan quoting “We promise that we will never throw any waste in public places”. This video clip is an initiative of Enaindha Kaigal project which is supported by RCLC. This clip was compiled with the video clip of several club, school members and even celebrities to form a small video which was released during the New Year of 2017.

RYLA -6th to 8th Dec 2016

The Rotary Youth Leadership Award camp will be held each year to train the youth on being effective, efficient leaders with the sense of brotherhood and a drive to do service to the society. This year's RYLA was held at Hindustan University for 3 days where food and excellent accommodation were provided to the participants. 5 Green Rotaractors participated in this event and benefitted from it. New friends a sense of brotherhood, bonding and three days filled with exciting games, pep talks by famous guest speakers, cultural events and much more were experienced by the participants. The most fun and productive 3 days were experienced by the 5 participants from RCLC.

Pudhu Varsha Vazhthu -08/01/2017

The first Community service project for the year was Pudhu Varsha Vazhthu meaning New Year Greetings. This project was conducted in Bala Vihar Ashram for the mentally special Children and people. The club members visited this ashram to provide the required items which were collected by the club members. An hour spent with the special children playing, dancing and singing created a deep impact on the hearts of our club members who went there. It made us realize how gifted we are and instead of living selfishly the joy of living should be shared and services should be done for the society which will ultimately benefit us too. After a small interaction with the Staffs of the Ashram, the members came out with a feeling of happiness and satisfaction.

Fire Free Bhogi -11/01/2017

An awareness program was carried out by our club at Sidapet by the Green Rotaractors lead by the Faculty Coordinator and a few board members. The main theme of awareness was Fire Free Bhogi to protect and safeguard our environment. This was held after coordinating with the local Traffic

Police. Students held charts and display boards while shouting slogans to create awareness on the issue. This move was welcomed by the area people which made this programme a great success.

Road safety-13/01/2017

The community service project on Road safety and regulations was held in our college. Creative charts and posters were made by the club members with a good sense of humour and with a tad of sarcasm to create awareness on road

safety. The charts and posters were displayed in the college premises near the parking and the main entry and exit gates so that the students would take a note of them for their own well-being and the society's well being too.

Treasure hunt -05/02/2017

The Club service project carried by our club for many years the 'Treasure Hunt' is a legacy of the RCLC. This event is organized for the Green Rotaractors as a fun filled events of finding clues whilst building trust and friendship with new people. Around 180 Green Rotaractors participated in this event managed by the board members. The whole of our college premises was used for this event and totally ten clues were given to the shuffled teams to find. The event lasted for around 2.5 hours starting from 9-11.30 a.m. Prizes were given to the members of the winning team.

Selfie Pre-Conference -12/02/2017

Selfie Pre-Conference was held on 12th feb 2017 in KRMCC college Adyar, it is the pre-conference for this year ADRC. Variety of cultural programmes were held for the attending rotaract clubs. This fun filled event was attended by our Green Rotaractors with enthusiasm. The same amount of enthusiasm and charisma prevailed even when our members performed in the cultural events. This event was made success by our members by bagging the second prize in Face Painting , Adzap and the title winner in the event Mr.Selfie. This event filled with fun and frolic turned out to be great experience for both the Green Rotaractors and the board members.

CSI Workshop-16/02/2017

A workshop was organized by the CSI, Computer Science department for our Green Rotaractors in the campus. This workshop on 3D printing was attended by the Green Rotaractors irrespective of the departments which they belonged to. The audience were introduced with the evolution, history and latest developments of 3-dimensional printing. The workshop gained more attention after the benefits of using 3D printers were revealed. Also, the speaker had taken an extra effort to prepare a sample of 3D model by using the hi-tech printer. The workshop was thus highly useful for everyone, since new technology was introduced and its effectiveness was justified.

Phoenix 2k17-18/02/2017

The annual Rotaract culturals held by the Women's Christian College named Phoenix was held in the WCC campus on 18th february 2017. As expected from our Green Rotaractors almost every event was taken part in with utmost spirit. The decorum and the standards held by our club members was very much appreciated by the organizing club. With 166 entries from our club and the highest the Rotaract Club of WCC expressed their gratitude to our club as the most supporting club in that event.

Tentkottai 20/02/2017

Tentkottai an interesting initiative by our club on the Social Justice day on 20th feb 2016. To create awareness on various important issues going on in our society two movies were projected to the Green Rotaractors in smart classrooms. The two award winning movies were Pink and Visaranai. These two movies were on the genre of social justice. After the movie the Green Rotaractors were asked to write what they had learnt from the two movies. Thus this event clubbed the fun and the awareness on social justice together proving this initiative to be a success.
