INTERNATIONAL YOUTH DAY

12TH AUGUST, 2022

3.20 – 4.15 PM

OBJECTIVE:

The theme for International Youth Day in the year 2022 is "**intergenerational solidarity: creating a world for all ages**". The purpose of this day is to recognize the important role young people play in creating change in the global community and achieving sustainable development by tackling global issues. As a part of celebrating the youth commerce forum conduct a program on international youth day to show the importance of the youth generation and the youth pledge was taken by all.

ABOUT THE EVENT:

The Commerce forum organized a program on behalf of "INTERNATIONAL YOUTH DAY" on 12th August, 2022 (Friday) to sensitize students on the role of Youth in the present scenario. The program was organised exclusively for all the students of the department of commerce. The main motto of the program is to enhance the knowledge of the youth generation about ageism. The commerce forum requested volunteers from each class to describe international youth day to each class and the pledge was made during the program. While volunteers addressed the students, they mentioned that this day is dedicated to the role played by young women and men in bringing a viable change in tackling global issues and achieving sustainable development. It also serves as an opportunity to raise awareness of the challenges and problems facing the world's youth.

International Youth Day provides an opportunity to recognize young talents and is celebrated with an aim of bringing out solutions for the issues faced by the youth. International Youth Day focusses on the rights of young people to have access to education, employment, healthcare, monetary services, and participation in public life. The generation of youth is the largest in history, with more than three billion young people across the globe are under the age of 30.

The themes taken to celebrate International Youth Day during the last four years were:

- 2016 – Youth Leading Sustainability;
- 2017 – Youth Building Peace;
- 2018 – Safe Spaces for Youth;
- 2019 – Transforming Education.
