Annual Sports Day

Department of English - Report

Loyola College Annual Sports Day was held on 17/02/2018 at 1:30 p.m. on the Football Playground. After a gap of several decades, our Department students under the effective leadership of their Sports Captain J. Franklin Rozario, won the following events which raised our scores to an unbeatable high of 116 Points. The department athletes won the Overall Championship Trophy (DIVISION 2), for 2018 beating our nearest competitor, Mathematics Department. The events were won by us due to the sacrifices and hard practice put in by our department athletes with the active encouragement of our Head of the Department, Dr. Joseph Chandra.

A few events that need to be highlighted are:

1. Tug of War
2. 4x100m Relay
3. Shot Put
4. Discus Throw
5. 100, 200m Dash

As our Department athletes have won in all the competitions held this spectacular performance is very difficult for other competitors to break this record set by us very easily in the future.
