Overall, how would you rate the First Springboard session

48 responses

Do you have any suggestions for further Springboard Session II- topics? 48 responses

No

Nil

How do we make the people who are attending the class online feel included.

I like to speak about the problems where leadership plays a key role in it

People Management and Emotional development

No it was good

The previous sessions weren't as constructive as I thought they would be. There were a few questions which were purely subjective, but the responses expected were generic, rather host-centric. If those aspects of the programmes are addressed it would be a lot more productive. And when it comes to the topics, I'd prefer a session that focusses on maintaining emotional stability while making decisions so as to make objective decisions. I believe decision making plays an import
