REPORT FOR WORKSHOP ON CYBER SECURITY

Date of the Event: 09 / 01 / 2020

Time: 9:00 a.m. to 4:30 p.m.

Participants: 142 students, 8 faculty members & 3 Industrialists

Cyber security has become an integral part of society in the modern day, vital to protecting data which has become the new oil if it has not already. Hence, the Loyola Institutions Innovation Council has taken the initiative of creating awareness about cyber security and also to provide hands on training for the participants to become aware and vigilant towards securing their data.

There were total 153 participants. Among 153 participants; 8 faculty members, 3 Industrialist, 25 out-side institutional students and rest institutional students were registered. During these sessions, various industry experts shared their insights, real life scenarios, practical cases and their experiments on Ethical Hacking domain. The first lecture session of the workshop was delivered by Mr. Arun Kungumaraj, Advocate. He is also an active practitioner of national level law and often combats on cyber law. He started with a keynote lecture about the importance of cyber security.

Followed by this was a lecture by Prof I Justin Sophia, subject matter expert. She gave multiple facts and statistics on cyber security, thus enlightening students on building a prospective career around cyber security. Following this, students were absorbed into an interactive session from veteran cyber security professional, Mr Satish who took the session with an interactive and fun curriculum.

He explained the various types of hackers and covered the necessity of hats and security hackers. He had covered the conception regarding OWASP TOP 10 non-profit organisation which are dedicated to provide unbiased, practical information about application security. In the second phase of session, the core part of Hacking and case studies were covered. It includes the real time practice of Injections which mainly includes SQL Injection, Server Side Injection, Command Injection and HTML Injection in detail.

To illustrate the topic of broken authentication and session management, he explained the practical aspects of insecure login forms, password attacks, session management and session management on administrator portals. He had also covered the cross site scripting concept to know about XSS to send a malicious script to an unsuspecting user. He was delivered the details about the types of XSS with practical approaches. The session was followed by vulnerability assessment and software penetration testing

INVITATION

The poster features a dark blue background with a subtle circuit board pattern. At the top, there are three logos: the Loyola Institution crest on the left, the LIIC logo (a lightbulb with a brain inside) in the center, and the Institution's Innovation Council logo on the right. The main text is centered and reads: 'Loyola Institution's Innovation Council Invites you for a WORKSHOP ON CYBER SECURITY FOR BUSINESS'. Below this, it lists 'GUEST SPEAKERS' with two names: 'MR R ARUNKUNGUMARAJ, ADVOCATE DIRECTOR, ARUNKUNGUMARAJ & ASSOCIATES' and 'MR PRABHU, VICE PRESIDENT, CYBER SECURITY SERVICES'. A vertical line separates these two names. Below the speakers, it identifies the 'CHIEF GUEST' as 'MR SATISH NARAYAN, CEO, SECUERONE INC'. At the bottom right, it provides the event details: 'L.S HALL, 09.01.2020, 9:00AM TO 4:00PM, Loyola College (Autonomous), Chennai - 600034'. At the bottom left, there is a QR code and a URL: 'http://bit.ly/liic-cyb'. A final line of text at the bottom states: 'Click the link or scan the QR code to register. Certificates, refreshment and kit will be provided'.
