

LOYOLA INSTITUTION'S INNOVATION COUNCIL (LIIC)

11/10/2019

**MINUTES OF THE SECOND MEETING OF THE LOYOLA
INSTITUTION'S INNOVATION COUNCIL (LIIC)**

Date of Meeting: 10/10/2019

Venue: Office of the Deputy Principal – CEG 01

Time: 03.00 p.m. – 05.30 p.m.

The second meeting started with a welcome note of Deputy Principal who addressed the importance of the Innovation Council at the college. Prof. Francis Xavier, President, Loyola IIC (LIIC) introduced the council members and their roles. He briefed the objectives and major focus of IIC. He also made a presentation on the functions of IIC and how LIIC can network an ecosystem of innovation centers within the college premises. Dr Prasanna Kumar, Convener, LIIC shared various activities conducted in the previous year and also the readiness of the students to take IIC activities effectively to the entire student group at the college in the current year.

Members of Loyola IIC also deliberated their views on implementing the guidelines of MHRD given for IIC. Dr. Xavier Raj, External Expert, LIIC & Director, Loyola Inclusive Innovation Impact Centre (L3ic) also talked about various innovative measures to be undertaken by Loyola IIC. Members also discussed how students of Loyola College can be motivated and supported to execute their innovative ideas. They also talked about the existing innovative ecosystem on the campus and how this can be linked together to create a vibrant local innovation ecosystem. The members also expressed their plans to conduct the prescribed annual calendar activities for IIC - 2019-20.

During the discussions on the stipulated activities for the quarter, the members agreed to celebrate *Innovation Day* to commemorate the 88th birth anniversary of Dr APJ Abdul Kalam on the campus

**LOYOLA COLLEGE (AUTONOMOUS),
CHENNAI – 600 034.**

LOYOLA INSTITUTION'S INNOVATION COUNCIL (LIIC)

as per the communication received from MHRD-IIC on 15th October, 2019. It was agreed that students from the neighborhood school would be invited to the Loyola College campus to visit the various innovation facilities & laboratories to get motivated. Subsequently, the program schedule was also finalized. All the members were assigned different roles and responsibilities with regard to the Innovation Day '19 celebration on October 15, 2019.

The meeting came to a close at 05.30 p.m.
