Department of Mathematics

Racine Endowment Lecture (2015–2016)

Racine Endowment Lecture is a lecture organized annually in memory of Rev. Dr. Charles Racine SJ, Former Head of Department of Mathematics, Loyola College, Chennai.

This year the lecture was organized on 1st September, 2015 in Lawrence Sundaram Auditorium.

Dr. Satish Kumar Ramakrishna, Yale University, USA delivered the lecture on *“Bio-inspired Nanostructures as Core Components for Controlled Nucleation and Technology Development”*.

Dignitaries on the stage

Dr. A. Victor Devadoss, Head of Department,
welcomed the gathering.

Dr. D. Florence Isido, Dean of Women Students
presented the chief guest a memento.

The Speaker delivered the lecture

Dr. M. A. Basker, Associate Professor, proposed the vote of thanks.

The faculty members, research scholars, post graduate students of Department of Mathematics were present for the lecture. Interested Scholars from other departments were also present.

The lecture was followed by a discussion with the Guest in Fr. Vion Smart Class Room.
