

LOYOLA-INTERNATIONAL ACADEMIC COLLABORATION

LOYOLA COLLEGE CHENNAI – 600 034

BBA-FRANCE – END SEMESTER EXAMINATION

III SEMESTER – NOVEMBER 2022

EL 331 – ENGLISH

Date: 21-11-2022

Dept. No.

Max. : 100 Marks

Time: 09:00 AM - 12:00 NOON

Part A

1. Choose any two questions and draw a mind map for each essay. (2 X 10 = 20 Marks)

Topic 1

Some people do not like changes and prefer to do things they are good at, while other people like taking risks and trying new things. Discuss both these views and give your own opinion.

Topic 2

Some people think that to succeed, the only thing one needs is talent. Others disagree, saying that hard work is more important than talent. Discuss both these views and give your own opinion.

Topic 3

Some people think that there should be only one type of punishment for each crime regardless of the circumstances. Others believe that the motivation behind the crime, matters, and therefore, punishments should not be fixed and should vary depending on the situation. Discuss both these views and give your own opinion.

Part B

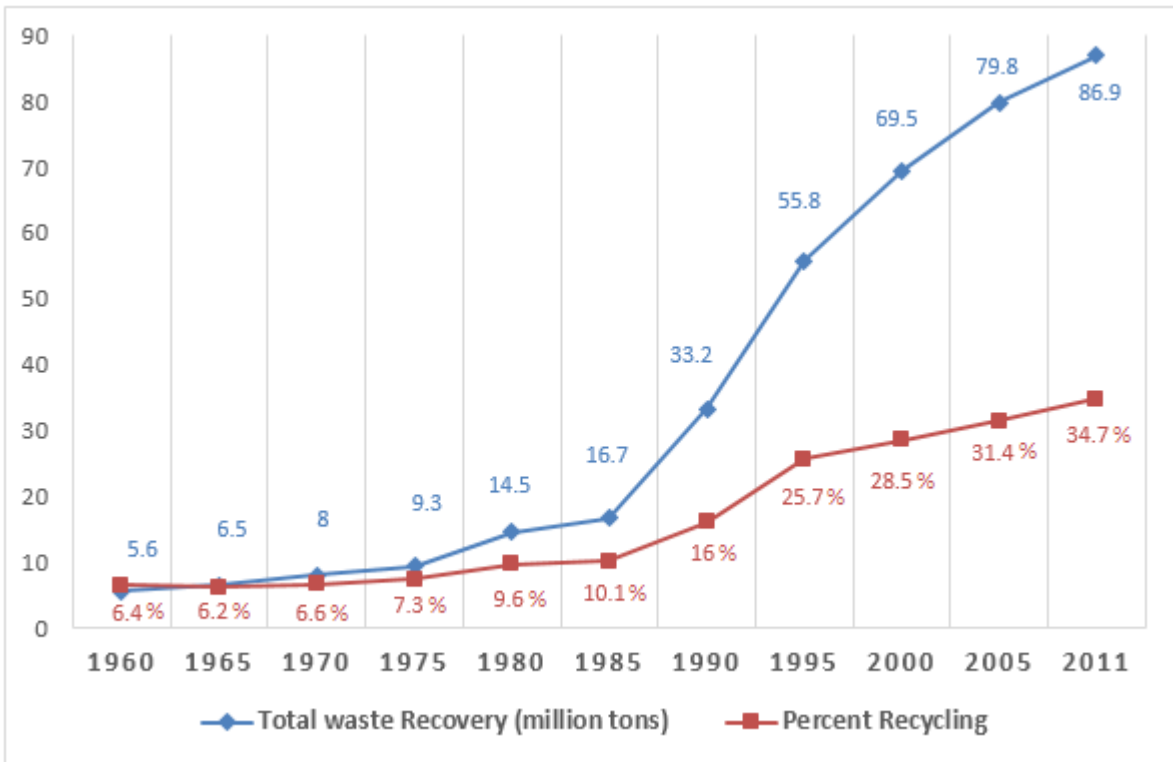

2. Report Writing

Answer both the task 1 (IELTS) questions given below.

(15 + 15 = 30 marks)

- a. The graph below shows waste recycling rates in the U.S. from 1960 to 2011. Summarise the information by selecting and reporting the main features, and make comparisons where relevant. You should write at least 150 words.

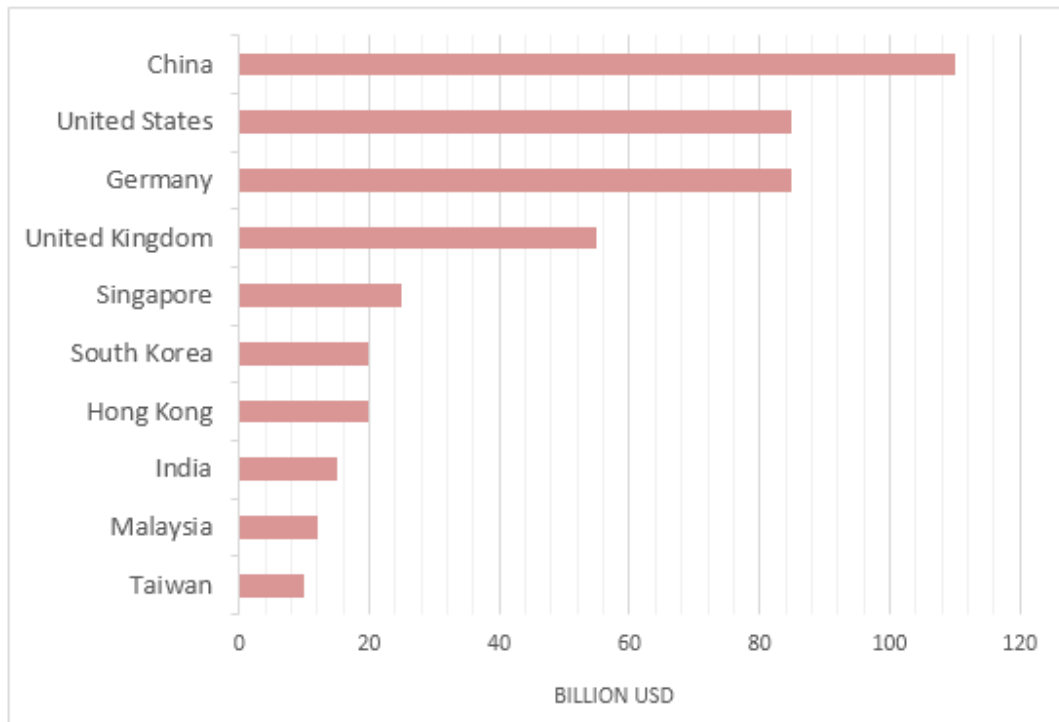

National Recycling Rates, US, 1960 to 2011

b. The chart below shows the top ten countries with the highest spending on travel in 2014. Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

You should write at least 150 words.

Consumer Spending on Travel (US \$ Billion)

Part C

3. Write any two essays from the topics given below. Write at least 250 words.

(25 + 25 = 50 marks)

You should spend about 40 minutes on each question.

- a. With the advances in science and technology, people from different ends of the world can communicate with each other. What is your opinion on the impact of technologies on our lives? Do you think that these advances only result in positive outcomes?

- b. Each year the prices of petrol increase all over the world. What kind of impact does this have on traffic and environmental pollution? What else do you think the petrol price influences?

- c. More and more people nowadays have overweight problems, and this seems to be the case for the entire world. What do you think causes this trend? Could you suggest some solutions to this problem?
