

**NATIONAL SOCIAL WORK PERSPECTIVE (NSWP)**

**NEW DELHI**

**21<sup>ST</sup> NOVEMBER-2<sup>ND</sup> DECEMBER 2017**

**DEPARTMENT OF SOCIAL WORK**

**LOYOLA COLLEGE**

The slide features a dark blue background with decorative white circuit-like lines in the corners. These lines consist of straight segments connected by small circles, resembling a network or data flow diagram. The lines are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.

**Every year the students of the Social work Department are engaged in National Social Work Perspective to expose them to National level agencies in their specialization. This vital part of their curriculum through which students not only earn a credit but are also get an opportunity to familiarize themselves with the working of reputed agencies and organizations**

# GENERAL OBJECTIVES:

- **To create a feeling of oneness among the students through group living and informal interactions and to understand the importance of social relationships and bonding and thereby enhancing professional and personal competency.**
- **To get exposed to Socio- Economic and Cultural diversities, value systems that exist in the country.**
- **To develop networking skills and connect with Professional social workers within the country.**
- **To get an understanding about the functioning of different successful organizations and also learning new skills and sharpening existing skills.**
- **To acquire professional competence in decision making, planning, implementation, monitoring and reviewing.**

## **TOUR PROCESS:**

**Students from various committees are directly responsible for selection of places of visit, budgeting, obtaining prior permission, drafting of schedules and arranging travel & accommodation. To facilitate the students in this process two faculty extend their guidance and supervision.**

# **OBJECTIVES OF THE COMMON & SPECIALIZATION VISITS:**
