*Social Work Day (Lecture)*

TOPIC :  
International Social Work  
Perspectives

GUEST SPEAKER :

Mr. Jeyadoss  
Medical Researcher, France

Time : 11.30 AM

Date : 18.03.2022

Venue : Department of Social Work

### **Introduction:**

International Social Work Day was commemorated in the Department of Social Work. The theme for the year was “**Co-building a New Eco-Social World: Leaving No One Behind**”. SWASS initiated two programmes- POSTER AWARENESS CAMPAIGN & SPECIAL LECTURE

### **POSTER AWARENESS CAMPAIGN**

The First year PG students engaged in a Poster Awareness Campaign on campus narrating the exiting social issues. The Posters were placed at different spots over the campus and students created awareness about vulnerable minorities whom the society had left behind.

### **SPECIAL LECTURE**

A Special Lecture on **International Social Work Perspectives** was organised on the event of Social Work Day. The Lecture was delivered by **Mr. Jeyadoss**, Medical Researcher, France in department seminar hall at 11.30 AM.

### **Participants:**

The First- and Second-Year PG Students of Department of Social Work, SHIFT – 1

### **Key Take Aways of the Lecture:**

The Resource Person was an alumnus of Loyola college, and shared his experience of learning in Loyola College and how it helped in his work to achieve the goal. He also shared about social work learnings in France and his experience in the field. The key points of his lecture were:

- Introduction of Social Work profession in France
- Importance of learning Social Work concepts from field work practice
- Challenges in grooming to be a professional
- Need to Acquire knowledge, skills and values of the profession
- Need to equip oneself through voracious reading of books on Social Work perspectives
- Imbibing the process of Social Work Ideology and Principles to help others.
- Available Job Opportunities in France as a Social worker

The lecture was followed by an interactive session, where students clarified the major differences between Social Work in India and other countries, particularly France. The role of social work research in medical field was also clarified.

### **Conclusion:**

The students learnt a lot by being involved in the association by making posters, each poster carried the emotions of vulnerable minorities, while displaying this message was conveyed to entire college campus. The Talk was also very informative and to assess the one's potential by practising social work, this was the feedback given by students.
