

Congratulations

The management of Loyola is happy to congratulate **Dr. V. Duraipandiyan**, Entomology Research Institute, Loyola College (Autonomous), Chennai - 34 for achieving the milestone of being included in the top **2%** scientists in the world for 2020 for his contribution in the field of Plant Biology & Botany by the survey conducted by Stanford University, USA. May he bring many more laurels to the institution by achieving more.

Wishing him all the best!!

Thomas
