

Celebrating the Centenary of Mother Teresa

A meeting was organised by FLOWS on the occasion the Centenary Anniversary of Mother Teresa. A brief, touching presentation was given on the life, struggles and achievements of Mother Teresa (winner of Nobel Prize for Peace) on 26th August, 2010. The meeting reached out to the essential humanity in every individual. The Chief Guest for the occasion was Dr. Udaya Mahadevan, a senior member of the Department of Social Work, Loyola College. Her various anecdotes described the satisfaction which one may derive through selfless service. She stressed on the fact that the Department had been closely working with the Missionaries of Charity for a long time and encouraged the students to participate actively in their various ventures.
