| Date: 12-05-2023 | Dept. No. | Max.: 100 Marks |
|------------------|-----------|-----------------|
|                  |           |                 |

|                          | SECTION A   |                    |                    |  |  |
|--------------------------|---|--------------------|--------------------|--|--|
| Answer ALL the Questions |   |                    |                    |  |  |
| 1.                       | Define the following (5 x 1 =                                     |                    |                    |  |  |
| a)                       | Sociology   | K1                 | CO1                |  |  |
| b)                       | Role  | K1                 | CO1                |  |  |
| c)                       | Culture   | K1                 | CO1                |  |  |
| d)                       | Class   | K1                 | CO1                |  |  |
| e)                       | Marriage  | K1                 | CO1                |  |  |
| 2.                       | List any two types of the following concepts                      | $(5 \times 1 = 5)$ |                    |  |  |
| a)                       | Culture   | K1                 | CO1                |  |  |
| b)                       | Marriage  | K1                 | CO1                |  |  |
| c)                       | Status  | K1                 | CO1                |  |  |
| d)                       | Family  | K1                 | CO1                |  |  |
| e)                       | Social Change   | K1                 | CO1                |  |  |
| 3.                       | Match the following   | (5                 | $(5 \times 1 = 5)$ |  |  |
| a)                       | Sociological Imagination- Alfred Schutz                           | K2                 | CO1                |  |  |
| b)                       | Symbolic interactionism – Karl Marx                               | K2                 | CO1                |  |  |
| c)                       | Conflict Theory - Talcott Parsons                                 | K2                 | CO1                |  |  |
| d)                       | Structural Functionalism – C. Wright Mills                        | K2                 | CO1                |  |  |
| e)                       | Phenomenology – G.H. Mead   | K2                 | CO1                |  |  |
| 4.                       | True or False   | (5 x               | $(5 \times 1 = 5)$ |  |  |
| a)                       | Ascribed status is assigned by birth.                             | K2                 | CO1                |  |  |
| b)                       | Evolutionary change involves change that is repetitive in nature. | K2                 | CO1                |  |  |
| c)                       | Bureaucracy is an example of charismatic authority.               | K2                 | CO1                |  |  |
| d)                       | Master and slave are the two classes in capitalism.               | K2                 | CO1                |  |  |
| ω,                       | Government can use violence with legitimacy.                      | K2                 | CO1                |  |  |

|   | SECTION B  |                      |                      |  |  |  |  |
|---|--|----------------------|----------------------|--|--|--|--|
| Ans   | swer any TWO of the following in 600 words   | $(2 \times 10 = 20)$ |                      |  |  |  |  |
| 5.  | Analyse the various agents of socialization.   | К3                   | CO2                  |  |  |  |  |
| 6.  | Demonstrate your understanding of globalization and its effects on society.                        | К3                   | CO2                  |  |  |  |  |
| 7.  | Explain the types of family in detail.   | К3                   | CO2                  |  |  |  |  |
| 8.  | Classify the difference between ascribed and achieved status.                                      | К3                   | CO2                  |  |  |  |  |
|   | SECTION C  |                      |                      |  |  |  |  |
| Answer any TWO of the following in 600 words  |  |                      | $(2 \times 10 = 20)$ |  |  |  |  |
| 9.  | Analyse marriage and its types.  | K4                   | CO3                  |  |  |  |  |
| 10.   | Explain the significance of sociological imagination in understanding society.                     | K4                   | CO3                  |  |  |  |  |
| 11.   | Examine the differences between charismatic and rational legal authority.                          | K4                   | CO3                  |  |  |  |  |
| 12.   | Illustrate the emergence of Sociology as a discipline.   | K4                   | CO3                  |  |  |  |  |
|   | SECTION D  |                      |                      |  |  |  |  |
| Answer any ONE of the following in 1000 words |  |                      | $(1 \times 20 = 20)$ |  |  |  |  |
| 13.   | Critically evaluate the structural functionalist perspective of Sociology.                         | K5                   | CO4                  |  |  |  |  |
| 14.   | Summarize any two theories that explain social change.   | K5                   | CO4                  |  |  |  |  |
|   | SECTION E  |                      |                      |  |  |  |  |
| Answer any ONE of the following in 1000 words |  |                      | $(1 \times 20 = 20)$ |  |  |  |  |
| 15.   | Assess the various stages of society based on economy as given by Karl Marx.                       | K6                   | CO5                  |  |  |  |  |
| 16.   | Critically explicate how sociological imagination helps you in your everyday life with an example. | K6                   | CO5                  |  |  |  |  |
