LOYOLA COLLEGE (AUTONOMOUS)

DEPARTMENT OF B.COM COMPUTER APPLICATIONS

INDEPENDENCE DAY CELEBRATION

Date: 12th August to 16th August

Host/Coordinator: Dr Sheneela G C

Batch/Participants: Students of the Department

Place: Virtual

Director: Dr. J. A. Charles

Coordinator: Dr. Sheneela G C

President: Prof. A. Delphine Valarina

Vice President: Prof. Immaculate Cynthia A

Asst. Prof : Dr. Maria Selvi S

OBJECTIVES OF THE SESSION

Independence Day was celebrated by the Department of B.Com (Computer Applications) to commemorate the occasion and to encourage students to express their sense of patriotism and creativity. As part of the celebration, a Poster Making Competition and a Photography Competition were organized, giving students a platform to creatively reflect on the spirit and significance of Independence Day.

The session specifically aimed to:

- Commemorate Independence Day and encourage students to reflect on its significance.
- Provide students with a creative platform to express patriotism through visual art and photography.
- Encourage participation in the Poster Making Competition to showcase artistic and conceptual skills.
- Encourage participation in the Photography Competition to capture and reflect the spirit of the occasion.

- Recognize and reward students who demonstrated outstanding creativity and effort.
- Foster a sense of national pride and collective celebration within the Department.

ABOUT THE SESSION

The Department of B.Com (Computer Applications) organized an Independence Day celebration to commemorate the occasion and to encourage students to engage with the day's significance through creative expression. Two competitions were conducted as part of the celebration: a Poster Making Competition and a Photography Competition.

The Poster Making Competition invited students to creatively depict themes of patriotism, freedom, and national pride through visual art. Participants used colour, imagery, and design to convey their interpretation of Independence Day, with entries judged on creativity, relevance to the theme, and overall presentation.

The Photography Competition encouraged students to capture moments, symbols, or perspectives that reflected the spirit of Independence Day. Participants submitted photographs that captured the essence of the occasion, with entries evaluated on creativity, composition, and thematic relevance.

Both competitions saw enthusiastic participation from students, who used the opportunity to combine their artistic and technical skills with a sense of national pride and celebration.

At the conclusion of the competitions, the winners were announced. Rishikanth was declared the winner of the Photography Competition, and Narendra Vamsi was declared the winner of the Poster Making Competition, in recognition of their creativity and the quality of their entries.

The celebration provided students with a meaningful way to mark Independence Day while also encouraging creative expression, healthy competition, and a shared sense of national pride within the Department.

OUTCOMES OF THE SESSION

The celebration successfully contributed to students' creative expression and sense of national pride. The key outcomes included:

- Students engaged meaningfully with the significance of Independence Day through creative expression.
- Students developed and showcased their artistic skills through the Poster Making Competition.
- Students developed and showcased their photographic and compositional skills through the Photography Competition.
- The competitions fostered healthy competition and encouraged participation among students.

- Outstanding student talent was recognized, with Rishikanth winning the Photography Competition and Narendra Vamsi winning the Poster Making Competition.
- The celebration strengthened a shared sense of national pride and collective celebration within the Department.

OVERALL ASSESSMENT

The Independence Day Celebration served as a meaningful initiative of the Department of B.Com (Computer Applications), combining commemoration of the occasion with opportunities for creative student expression through the Poster Making and Photography Competitions. The initiative reflected the Department's continued emphasis on student-centred engagement, creativity, and fostering a sense of national pride and collective celebration beyond the regular classroom.
