

ON-THE-GROUND REPORTAGE TRAINING FROM MULTIPLE LOCATIONS

CAJ students made a field trip to multiple sites in Chennai on 27th January 2023. Nearly 90 students participated in the outdoor study session. The day-long session started at 10.30 am and ended at 5 pm. The locations included historic sites in Zamin Pallavaram, Parris Corner, Central Railway Station, Egmore Railway Station, Koyambedu, and Mahabalipuram. Each team had at least two girl students to ensure gender diversity. Some of the teams had 14 members. Some had about eight members. More than half the participants of the CAJ programme come from districts outside Chennai. For many participants from non-Chennai locations, this was their first visit to these historic places. The purpose of the visit was to encourage on-the-ground reportage. They have filed multimedia reports on the site visit. Mr. Peer Mohamed and Dr. Krishnapriya, class teachers for the CAJ program, evaluated the submissions and provided feedback.
