

About Loyola College

Loyola College, a catholic minority institution, was founded by the Society of Jesus (Jesuits) in 1925, with the primary objective of providing university education in a Christian atmosphere for deserving students irrespective of caste and creed. UGC conferred the status of "College with Potential for Excellence" on Loyola College in 2004 and confirmed the same in 2010. Later UGC elevated Loyola College to the status of "College of Excellence" in 2014. India Today magazine has repeatedly ranked the Arts, Commerce and Science departments of Loyola College amongst the top 10 colleges in India. The aim of the college is to educate young men and women to serve their fellow men and women in justice, truth and love. It fosters an atmosphere of intellectual vigor and moral rectitude in which the youth of our country may find their fulfillment and achieve greatness as eminent men and women of service.

**A One Day
National
Workshop on
AI NARRATIVES:
TRANSFORMING
LITERATURE,
LANGUAGE AND
LINGUISTICS WITH
GENERATIVE AI**

January 24, 2025

09.00 AM - 04.00 PM

LIFE HALL

CONCEPT NOTE

The adoption of Generative AI (Gen AI) offers a promising solution to address these challenges and transform the educational landscape. By leveraging AI-powered tools and techniques, we can create a more personalized, engaging, and efficient learning environment for both students and educators. The workshop aims to explore the various ways / applications / domains / tools in which AI can be enhanced to improve educational outcomes, foster personalized learning, and drive innovation in teaching methods.

PROGRAM OBJECTIVES

1. Understand the key applications of AI in education, including personalized learning experiences, content creation, administrative task automation, and data-driven insights with reference to English Language Teaching.
2. Discuss the benefits and challenges of implementing AI-powered tools and technologies in the ELT classroom.
3. Explore strategies for effectively integrating AI-based solutions into existing educational frameworks in teaching English Language and Literature.
4. Examine case studies and best practices from institutions that have successfully implemented AI in their teaching and learning processes.
5. Identify opportunities for collaboration and knowledge-sharing among educators, administrators, and AI experts to drive further innovation in the field.

PROGRAM OUTCOMES

The participants of the workshop:

1. Will gain a comprehensive understanding of the role of AI in transforming the education sector especially in the English Language and Literature Studies Curriculum and its potential to enhance student learning and engagement.
2. Will learn about practical applications of AI-powered tools and technologies that can be implemented in their own educational settings.
3. Will develop strategies for overcoming the challenges and barriers to successful AI integration, including addressing ethical considerations and ensuring equitable access.
4. Will have the opportunity to network with peers and experts in the field, fostering collaborations and knowledge exchange.
5. Will leave the workshop with a clear action plan for incorporating AI-based solutions into their educational programs and a roadmap for continuous improvement and innovation.

TARGET AUDIENCE

The workshop is designed for educators, school administrators and education technology professionals who are interested in exploring the transformative potential of AI in education.

REGISTRATION FEE: ₹ 500
