Loyola College steps into its Centenary year marking a monumental milestone in the illustrious journey of excellence in education, social commitment and transforming young men and women to be responsible citizens of this Great Nation.

DEPARTMENT OF CORPORATE SECRETARYSHIP

The Department of B.Com Corporate Secretaryship was started in the year 2000.

The B.Com Corporate Secretaryship programme is designed to bridge the gap between conceptual learning and practical application to inculcate professional corporate expertise. The department currently has around 720 students.

The curriculum has been suitably modified to meet the challenging needs of the Indian Corporates. A certain measure of flexibility has been built into the new system, which enables the students to make their own choice of subjects from a wide spectrum of courses. The department imparts Corporate Secretarial skills and provides knowledge and training ground that turns out high caliber, competent, versatile professionals and good Company Secretaries.

What's up with **Elev8 2.0**

INSPIRIT SESSION

The Inspirit Session is designed to ignite passion and motivation among attendees, particularly student entrepreneurs. This session will feature dynamic speakers who will share their personal journeys, challenges, and triumphs in transitioning from student life to entrepreneurial success. This session aims to empower students to harness their creativity and ambition, fostering a culture of entrepreneurship within the campus community.

PANEL I – INFLUENCER ENTREPRENEURSHIP

In today's digital age, social media plays a pivotal role in shaping business success. The first panel, "Influencer Entrepreneurship," will bring together industry experts and successful influencers who will discuss how they leveraged social media to build their brands and businesses. Participants can expect insights on effective content creation, audience engagement, and strategies for turning followers into loyal customers. This panel aims to equip aspiring entrepreneurs with practical tools to navigate the evolving landscape of influencer marketing.

PANEL II – FUTURE OF WORK

The world of work is evolving rapidly, and the second panel will delve into the trends shaping the future of employment, particularly focusing on freelance and remote opportunities. Panelists will explore the advantages and challenges of these work arrangements, highlighting how entrepreneurs can adapt their strategies to thrive in this changing landscape. The discussion will cover essential skills needed, technological advancements, and the impact of remote work on business operations, providing valuable insights for attendees looking to navigate their careers in the modern economy.

PANEL III – FRANCHISING

Franchising offers a unique pathway to business ownership and growth, and the third panel will explore its significance in the contemporary entrepreneurial landscape. Experts in the field will discuss various franchising models, the benefits of franchising for aspiring business owners, and the potential challenges involved. This panel aims to demystify the franchising process, offering practical advice for those interested in leveraging established brands and systems to build their own successful enterprises.

WORKSHOP – FINANCIAL LITERACY

an engaging and practical workshop designed to equip you with the essential knowledge and tools of financial literacy. Whether you're just starting your career, planning for a major purchase, or looking to grow your wealth, this session will provide you with a clear roadmap for managing your personal finances with confidence

COMPETITION – DISRUPTORS DILEMMA

The Disruptors Dilemma is an exciting case study-based competition that challenges participants to solve real-world problems faced by businesses today. Teams will analyze a given case scenario and present innovative solutions to a panel of judges. This hands-on experience not only fosters critical thinking and teamwork but also encourages participants to apply their entrepreneurial knowledge in practical settings. The competition aims to inspire creative problem-solving and highlight the importance of adaptability in business.
