

Spectacular Performance on College Sports Day

The students of the Department of English put up a spectacular performance on our college sports day which was held on 29.01.2016. It began with an impressive March Past which was done in a highly professional manner. Our students also won a tally of 18 medals in various sports and games events and were placed 3rd in the overall college performance rankings. The faculty in charge of the Department sports activities Prof. Manohar and the students' sports captain Mr. Vimal Tony deserve our appreciation for motivating the students.
