The Internal Quality Assurance Cell (IQAC) organized a workshop titled **"Effective Documentation and E-Governance through ERP"** for all academic staff on 28th November 2024 at LS Hall. The Resource Person for the event was Dr. M. Nester Jeyakumar, Coordinator of LITSS. The workshop was conducted in two sessions: from 11:15 a.m. to 01:00 p.m. for Shift II and from 01:45 p.m. to 03:15 p.m. for Shift I.

The program began with a prayer song, followed by the welcome address and workshop introduction by **Prof. D. Francis Xavier, IQAC Coordinator**. **Rev. Dr. A. Louis Arockiaraj, S.J., the Principal**, emphasized the importance of updating ERP with the documentation of programs and accomplishments. He highlighted the need to submit data promptly for AQAR and NIRF as deadlines approached.

Rev. Dr. B. Jeyaraj, S.J., Secretary & Correspondent, reiterated the necessity of ERP-based documentation, particularly urging Heads of Departments (HODs) and

coordinators to learn how to raise purchase orders on the ERP portal as part of e-governance.

Dr. M. Nester Jeyakumar, along with the **ERP team**, demonstrated the features of the ERP system, focusing on the following modules: **1) Purchase Order, 2) Staff Profile, and 3) Department Profile**. Throughout the session, Prof. D. Francis Xavier provided additional explanations on the rationale behind the different menus and addressed questions raised by participants. He assured that their suggestions for module improvements would be taken into consideration.

The workshop provided valuable insights into the effective use of ERP for academic and administrative documentation, with participants actively engaging in

discussions and clarifications. Staff members were encouraged to bring laptops or tablets to explore the ERP system hands-on during the session.

Dr Dorathy Pushparani, Assistant IQAC Coordinator proposed the vote of thanks appreciating the Resource Person and his team for the demonstration of ERP features for efficient documentation and also thanked the participants for raising queries for clarifications and making suggestions for the improvement of the ERP profiles. The workshop concluded with a positive response from attendees, who appreciated the practical guidance on streamlining documentation through ERP for better governance and institutional efficiency.
