Action Taken Report

01. *Clarifications, Proposals & Queries*

The following proposals were given by the Library Committee members for the betterment of the Library.

- Faculties should provide assignments to students in such a way; the students would visit the Library for reference.
- Faculties should accompany the students to the Library and engage them in a meaningful academic work.
- Based on the usage report, members suggested apart from the student's, faculties should also visit the library periodically.

  Faculties visit is gradually increasing.
- Explanation was sought for the reduction in the renewal of Print Journals. *(1. More E-Journals subscribed, 2. Some of the Print Journals has become Open Source)*

  More E-Journals subscribed, Some of the Print Journals has become Open Source
- Taking into consideration the current scenario, modern gadgets should be allowed inside the Library, which would enable the students to access resources in all formats. To support this Wi-Fi facility in the Library has to be further strengthened.

  In Library there is no restriction regarding Academic related Gadgets (*without disturbing other users*).
- Apart from providing e-resources, hard copies of some magazines can be placed, which would generate reading interest for some students.

  Some General Magazines are renewed again.
- Library Reference extension can be utilized as a place for Academic discussion for small group.

  Fr Library Director has taken initiative to utilize that space to conduct Guest lectures.
- Digital Library Iron stair case can be improvised and there should be more outlets in Digital Library for emergency exit.

  Two outlets are kept open without locking it.

- Painting of Central Library along with the Bertram Hall can be considered.

  Fr Secretary has approved and completed the task.
- Department wise class room presentation regarding Library facilities for the new library users has to be encouraged and to be conducted by all the departments.

  Invite has to be from the Departments.
- Sharing of E-resources of our own campus Libraries can be further strengthened.

  Loyola College is sharing its E-Resources. Others still reluctant.
- Institutional Membership of other Libraries can be considered.

  Now Individual members hip is available and comparatively less priced than institution membership.
- Members appreciated the periodical updates *(New Arrivals & other relevant Academic Information)* through E-Mail from the Library.
