STUDENTS INTERACTION WITH THE GUEST SPEAKER

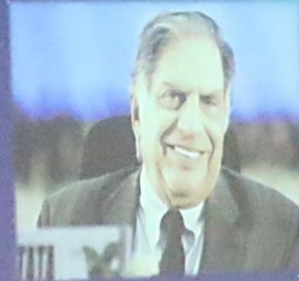

What does it take to become an Entrepreneur?

RATAN TATA

Ratan Tata and his team faced "humiliation" when they went to sell the group's fledgling car business to Ford in 1999.

"They told us 'you do not know anything, why did you start the passenger car division at all'. They said they will do us a favour by buying our car division," a Tata Group veteran said.

"This was in 1999 and come 2008, the same Ford's JLR was bought by us. Ford chairman Bill Ford thanked Tata, saying 'you are doing us a big favour by buying JLR.'"
