

## **Impact of Organisational Behaviour**

Students of Logistics & Supply Chain Management had an interactive session with Mr. Venkatsubramanian, a seasoned HR professional with 30+ years of experience, on the topic "Impact of Organisational Behaviour on Employment and Career Growth" on 10<sup>th</sup> September 2016.

Besides an overview on organizational behaviour, he explained how it impacted employment and career growth. Drawing from his rich experience, he gave the students an insight into the psychology of organisations.

Mr. Venkatsubramanian patiently explained some of the nuances of organizational behaviour. The question-answer session that followed threw more light on the subject.
