

Thought-provoking documentaries screened

Two documentary films “Beware of Caste: Mirchpur” and “Dr. Shoemaker” were screened for media students on 22nd October 2016. The makers of the films came for an interaction.

First, "Beware of Caste: Mirchpur" was screened, which was directed by Mr. Jayakumar. The documentary captured the lives of Dalits in Mirchpur (Haryana) and laid bare the caste discrimination and oppression which is prevalent even today. Shortly after the screening the makers of the film shared their experiences and answered questions regarding the film. Produced under his banner “Neelam Productions”, Director Mr. Pa. Ranjith gave a short speech as to what made him to produce the film.

Secondly, "Dr. Shoemaker" a documentary directed by Mr. Charles Vinoth and co-directed by Mr. T.J. Pandiaraju was screened. The film was an inspiring biopic documenting the life of Mr. Immanuel, a Samaritan who specializes in making football shoes with deft touch and passion for the game.

Fielding questions from the students.
