A movie titled Thoonga Vanam was screened to the students of Visual Communication on 28<sup>th</sup> March 2017. The Director of the movie Mr. Rajesh Selva's presence made the session very effective since he explained about his contribution to his own creation. Being a writer, actor and director, he gave a 360 degree perspective about film direction.

He also delivered a self-effacing talk to make the students aware of the role of a director in the production process.
