DENTAL CAMP

The Health and Sanitation Team & the Children's Team

A Dental camp was hosted in Sathyamurthy Nagar, Teynampet on 06-10-2015, by the students of Loyola College under the guidance of the Outreach department of Loyola College, Chennai in association with the “Kottivakkam Charitable Dental Trust”. The dental camp was organized for the welfare of poor people residing in the area. The programme was successfully conducted with the support of our outreach staff Mr. Antony Samy. The students also participated in the dental camp which led towards the success of the event.

The students of Health and sanitation team and the Children's team arrived at the place at 8 am and everyone teamed up for the preparation of the camp in an enthusiastic mood. The camp started at 9.00 am at the Community Hall of Sathyamurthy Nagar. The Doctor and their fellow team members arrived at the right time and started the Dental check up. Around 26 of them participated in the programme. The doctor apart from his regular check-up work gave specific inputs regarding the safety of teeth. The students also assisted them in whichever way they could. The event continued till noon, and it was a great success.

The people residing in that area were overwhelmed and happy and told that this dental camp was very much needed for the people here, and they thanked the students of Loyola College and the management for their service. The program went on till 12.30 in the noon.
