# LOYOLA COLLEGE (AUTONOMOUS), CHENNAI - 600 034

## **B.A.** DEGREE EXAMINATION - **ECONOMICS**

#### FIRST SEMESTER - NOVEMBER 2013

# **CO 1102 - MANAGERIAL ACCOUNTING**

| Date: 07/11/2013         | Dept. No. | Max.: 100 Marks |
|--------------------------|-----------|-----------------|
| Time $\cdot 1.00 - 4.00$ |           |                 |

## **PART-A**

**Answer All Questions** 

(10\*2=20)

- 1. State the need for proper accounting system
- 2. Give the proforma of P/L Appropriation account
- 3. Distinguish between cash and fund
- 4. State any two financing activities of a company
- 5. What is economic order quantity?
- 6. What is centralized purchase?
- 7. How do you determine wages under time rate and piece rate systems?
- 8. State the bases for the apportionment of rent and canteen expenses
- 9. Find out P/V Ratio When sales are Rs.2000, variable cost is Rs.1200.
- 10. Make a graphical presentation of breakeven point.

### PART-B

## **Answer Any Four Questions**

(4\*10=40)

- 11. What is store keeping? Explain the purpose of conducting ABC analysis.
- 12. Describe the advantages and limitations of marginal costing
- 13. In the production department of a factory Two components X and Y are used as follows:

| Normal usage 4,500 units | Minimum usage 2,250 units |
|--------------------------|---------------------------|
|                          | Maximum usage 6,750 units |
| Re – order Quantity      | Re- order period          |
| X = 19,500  units        | X = 3 to 5 weeks          |
| Y = 21,000  units        | Y = 2 to 4 weeks          |

You are required to calculate (a) Reorder level (b) Maximum stock level (c) Minimum stock level (d) Average stock level

14. Following is the balance sheet of Alok Company n ltd.

| LIABILITIES Rs. | 2007   | 2008   | ASSETS Rs.   | 2007   | 2008   |
|-----------------|--------|--------|--------------|--------|--------|
| Share Capital   | 12,000 | 14,000 | Fixed Assets | 13,000 | 12,500 |
| 6% Debentures   | 8,000  | 5,000  | Stock        | 4,000  | 1,000  |
| Reserves        | 2,000  | 2,500  | Debtors      | 3,000  | 4,000  |
| P/L a/c         | 2,000  | 3,500  | Bank Balance | 500    | 1,500  |
| Creditors       | 1,000  | 2,000  | Investments  | 4,500  | 8,000  |
| TOTAL           | 25,000 | 27,000 | TOTAL        | 25,000 | 27,000 |

You are required to prepare cash flow statement.

- 15. From the following particulars work out the earnings of a worker under
  - a) Straight piece rate

- b) Taylor's differential Piece rate
- c) Halsey plan d) Rowan scheme

| Wage rate per hour | Rs.250 |
|--------------------|--------|
|                    |        |

| Normal piece rate             | Rs. 130    |
|-------------------------------|------------|
| Standard output per week      | 100 units  |
| Actual out put for the week   | 150 units  |
| Normal working hours per week | 45         |
| Normal time per unit          | 30 minutes |

# 16. A supplier quotes for material X as follows:

Lot price 200 kg @ Rs. 5 per kg.

500 kg @ Rs.3.5 per kg.

800 kg @ Rs. 2.5 per kg.

Supplier allows a trade discount of 25%. One container is required for every 100 kgs of the material and the containers are charged at Rs.15 each but credited at Rs.10 on return. The buyer decides to buy 800 kgs. Transport charges amounted to Rs.200 is charged by the supplier.

Calculate the total cost of purchasing 800 Kgs.

# 17. The trading results of Raja & Co for the last two quarters are:

| Period | Sales     | Profit    |
|--------|-----------|-----------|
| Year 1 | Rs.25,000 | Rs.5,000  |
| Year 2 | Rs.37,500 | Rs.10,000 |

- Calculate: i. Profit-volume ratio,
  - ii. Fixed costs and Break-even sales volume
  - iii. Sales to earn a profit of Rs.7,500
  - iv. Profit when sales are Rs.20,000

#### PART-C

# **Answer Any Two Question**

(2\*20=40)

### 18. From the following particulars in respect of a certain material during 2008

| 10111 0110 | 10110 11 11 | ing particulars in respec | t of a cortain material auring 2000                  |
|------------|-------------|---------------------------|--|
| April      | 1           | Stock in hand             | 400 units @ Rs.10                                    |
|            | 4           | Purchased                 | 800 units @ Rs.6                                     |
|            | 7           | Issued                    | 600 units  |
|            | 12          | Purchased                 | 200 units @ Rs.8                                     |
|            | 16          | Returned to stores        | 100 units @ Rs.5                                     |
|            | 20          | Purchased                 | 400 units @ Rs.7                                     |
|            | 25          | Issued                    | 800 units  |
|            | 26          | A shortage of 100 un      | its was noticed and recorded                         |
|            | 28          | Returned to vendors       | 100 units out of purchase on 20 <sup>th</sup> April. |

You are required to draw up the stores ledger under

(i) FIFO method (ii) Weighted average method

# 19. The price structure of a product is as follows:

Material 6 Per unit, Labour Rs. 2 Per unit, Variable overheads Rs. 2 Per unit Fixed overheads Rs.5,00,000. The selling price is Rs. 18 per unit.

This is based on the manufacture of 100000 cycles per annum.

You are required to calculate:

- Profit volume ratio i.
- Break even point ii.
- Sales to earn a profit of Rs.3,00,000 iii.
- Profit when sales is Rs. 35,00,000 iv.

- v. If selling price is reduced by Rs.3, what will be the new break even point
- vi. If selling price is reduced by 20% how many units will have to be made to get the same amount of present profit?
- 20. From the records of an engineering factory that has three production departments Viz. A,B C and two service departments viz. P and R , the following particulars have been collected for the period ended  $31^{st}$  March 2008.

| Particulars         | Productio | Production Dept. |        |        | Service Dept. |  |
|---------------------|-----------|------------------|--------|--------|---------------|--|
| ranticulars         | A         | В                | C      | P      | R             |  |
| Direct Wages Rs.    | 2,000     | 3,000            | 4,000  | 1,000  | 2,000         |  |
| Direct material Rs. | 1,000     | 2,000            | 2,000  | 1,500  | 1,500         |  |
| Staff ( number)     | 100       | 150              | 150    | 50     | 50            |  |
| Electricity (Kwh)   | 4,000     | 3,000            | 2,000  | 1,000  | 1,000         |  |
| Light points (No.)  | 10        | 16               | 4      | 6      | 4             |  |
| Assets value (Rs)   | 60,000    | 40,000           | 30,000 | 10,000 | 10,000        |  |
| Area Occupied       | 150       | 250              | 50     | 50     | 50            |  |
| Services to ABC     |           |                  |        |        |               |  |
| By P                | 20%       | 30%              | 30%    |        | 20%           |  |
| By R                | 40%       | 20%              | 30%    | 10%    |               |  |

The expenses for the period were:

| Power         | 5,500    | Amenities to staff | 1,500 |
|---------------|----------|--------------------|-------|
| Lighting      | 1,000    | Repairs on assets  | 3,000 |
| Stores overhe | ad 2,000 | Staff Insurance    | 6,000 |
| Depreciation  | 1,500    | Rent and rates     | 1,100 |

Find out the total overheads of production departments by preparing overhead distribution summary.

21. Following trail balance extracted from the books of TLS ltd.

| Debit balances           | credit balances                                 |
|--------------------------|---|
| Stock as on 1.4 2012     | 7,000 Equity share 1000 @ Rs. 100 each 1,00,000 |
| Purchases                | 30,000 Rent received 3,500                      |
| Wages                    | 8,000 Sales 1,05,000                            |
| Carriage inward          | 2,000 Sundry Creditors 16,800                   |
| Building                 | 50,000 Bank Overdraft 12,200                    |
| Motor vehicles           | 37,000 Profit / Loss a/c 22,500                 |
| Sundry Debtors           | 9,600   |
| Salaries                 | 15,000  |
| Advertisements           | 400   |
| Travelling Expenses      | 4,000   |
| Machinery                | 80,000  |
| Discount allowed         | 1,500   |
| Cash in hand and at bank | 1,000   |
| Printing and stationary  | 2,000   |
| Repairs and renewals     | 1,500   |
| Director's remuneration  | 2,500   |
| Audit fee                | 500   |
| Interim dividend         | 8,000   |
|                          | 2,60,000 2,60,000                               |

# Adjustments:

- 1. Closing stock Rs.6,000
- 2. Outstanding wages Rs.1,000

| 3. Depreciate machinery by 5% and motor vehicles by 10% 4. Create provision for doubtful debts at 5% on debtors. You are required to prepare Profit & Loss account for the year ended 31.03.2013 and Balance sheet as on that date |
