Annotate any FIVE of the following questions in not more than 100 words each choosing not more than three from each section. (5x4=20)

SECTION-1

1. The yellow fog that rubs its back upon the window-panes,
The yellow smoke that rubs its muzzle on the window-panes,
(...)

Curled once about the house, and fell asleep.

2. IF I should die, think only this of me:

That there's some corner of a foreign field

That is forever England.

3. But who runs like the rest past these arrives

At a cage where the crowd stands, stares, mesmerized,

As a child at a dream, at a dream, at a jaguar hurrying enraged

4. At first, I didn't notice what a noise

The weddings made

SECTION-2

5. 'a woman must have money and a room of her own if she is to write fiction'

6. It is a curious fact that most people find mispronunciation of words extraordinarily interesting. A man can become one of the day's subjects for conversation merely by pronouncing a word wrong in a pulpit or on a platform.

7. A woman who utters such depressing and disgusting sounds has no right to be anywhere — no right to live.

8. "I'm a good girl, I am."
