

WORLD BLINDWALK 2016

WORLD BLINDWALK was organized by Project Vision, Bangalore on 13th October 2016 from 4 pm to 6 pm at Adyar, Chennai. The purpose of the programme was to create awareness about eye donation. Visually challenged students from Loyola College, Stella Maris, Presidency, St. Thomas College, Queen Maris, Patrician College and other city Colleges participated. Student volunteers from these Colleges also participated. Visually challenged and sighted persons belonging to various organizations in the city also participated in the walk. Five hundred visually challenged students from various Colleges led the sighted persons who were blind folded. The walk started at 4.30 pm. About thirty visually challenged students of our college took part. Prof. Pearline Paulraj, Director and Staff of RCDA accompanied the students. The program concluded at St. Louis Institute for the Deaf and Blind with the pledge for eye donation.
