FROM TREATMENT TO EMPOWERMENT

## **New Approaches to Youth**

### **Mentoring**

**These sessions will ...**

- **Deal with successful task motivation**
- **Manage students suffering from negative effects of failures**
- **Help teachers learn the best way for knowledge transfer**
- **Deal with problems of frustration and low self-esteem on both the students' and teachers' part**
- **Enlighten how a teacher's expectations correlate directly to students' performance**
- **Create an environment where learning is exciting for everyone**
